Training and Mobility

Who?

WE ARE ESMOVIA

Esmovia is a Spanish company, located in Valencia and dedicated to the management of **education and training mobility projects** for both students and adults. Erasmus+, European Human Capital, and European Social Fund are just some of the programmes we manage.

We receive participants from all over Europe and organise for them **traineeships** in different vocational areas, as well as **professional visits and seminars** and **professional development courses** for school staff.

We are also promoters and partners in different European KA2 Partnership projects dealing with youth, new technologies, employability and entrepreneurship.

Esmovia collaborates with over 600 private companies, public organizations and NGOs in the city of Valencia, some of them national and multinational corporations that host participants, encouraging them to improve their technical and linguistic skills.

Our aim is to provide the best quality service to the participants and to our foreign and local partners.

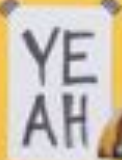

We are Esmovia.

Spanish Language Course

Language courses are taught by native speaker teachers specialised in teaching Spanish as a Foreign Language. The teaching method is based on communication. Students actively exercise the four fundamental functions of the language: listening, speaking, reading and writing. Particular attention, however, is given to conversation, to develop an increasing capacity to express themselves and communicate in Spanish from the beginning of the course.

Accommodation

Different options of accommodation are available: Spanish hosting families are the perfect choice for young students staying for shorter periods. Students staying for longer periods can be accommodated in fully equipped and comfortable flats shared with other youngsters. For teachers and school staff, hotel is a great solution.

Maintenance/Pocket Money

Participants accommodated on a self-catering basis receive weekly pocket money to cover food costs. Participants staying in hotels and families can be provided with Bed & Breakfast, Half Board or Full accommodation.

Transfer to/from Airport

Transfer on arrival and departure are organised by private bus or taxi.

Local Transport

Participants are provided with a weekly or monthly transport pass.

Cultural Activities

- *Visit to City of Arts and Sciences*
- *Paella lesson*
- *Bike tour & boat trip*
- *Visits to museums, parks inside the city*
- *1 day excursions to Peñíscola, Javea, Cuenca, Madrid or Barcelona*
