

EDUCATIVE COACHING

Presentation

Nowadays it is essential to acquire new resources or tools closely related with the student's motivation that allows the teacher to bring their talent out.

This course offers different tools for teachers or any professional of the learning environment to develop a more creative and effective methodology of teaching.

This helps the students to have higher levels of motivation and self-esteem and as a result, obtain better academic results.

Educative coaching wants to contribute to improve the society through the educational system, paying attention to all the educative levels and to all the stakeholders (teachers, students, teaching centers, headmasters...).

Objectives

The aims of the course are to provide teachers with tools and new methodologies to:

- Improve student's motivation.
- Get better academic outcomes.
- Get a better atmosphere in the class.
- Improve student's participation in the class and in the activities of the school.
- Avoid conflicts in the classroom.

Target group

The training course is addressed to primary and secondary school teachers, VET teachers, VET trainers, adults' teachers, as well as their headmasters and decision-making staff. Social and youth workers of nonprofit organizations and public entities dealing with education issues are also welcome.

Language of course

This course will be provided in English. It is requested to all participants to have a level of English enough to understand the trainer and to interact and participate actively in the course.

Methodology

The approach of the course is highly practical and participative, with theoretical explanations followed by the use of the tools that allow the integration of all the group and comprehension of the different concepts. The course combines different methodologies such as:

- Analysis of practical cases
- Text commentaries and articles
- Simulation and role/play of teaching situations
- Watching some fragments of films...

It is foreseen 4 days of practical lessons and 1 day of visit to a school or organisation dealing with the subjects of the course. Moments of socialisation have been also foreseen.
