

Objectives

- ✓ Offer effective tools in the field of teaching Spanish as a foreign language both from the theoretical and hands-on standpoint.
- ✓ Learn new teaching methodologies specially designed for the target group.
- ✓ Deal with the role of the teacher in this environment.
- ✓ Provide tools and resources to cover the area of culture in the teaching of Spanish as a foreign language.
- ✓ Apply an innovative methodology using motivating resources and materials.
- ✓ Learn how to get an effective learning: the importance of emotions.
- ✓ Learn how to trouble-shoot what we may come across in the classroom.

Target group

The training course is addressed to primary, secondary school teachers and VET teachers of Spanish as a foreign language.

Language of course

This course will be provided in Spanish.

Methodology

A hands-on, innovative and active methodology will be carried out taking into account the learners' needs regarding the content of the course. So, before the course starts, a survey will be conducted to identify individual and real needs.

The aim of the course is joining theory and practice and being able to apply the knowledge acquired in the classroom.

The group will work actively and cooperatively in order to reach the looked-for satisfactory results.
